

Central States Shorthorn & Polled Shorthorn **SALE**

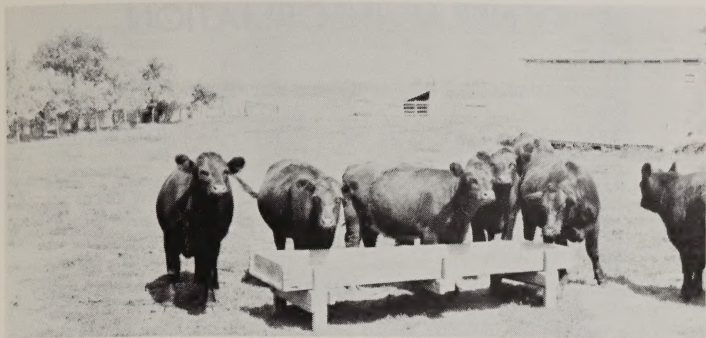

SALE OF THE
**"MONEY
MAKERS"**

OCTOBER 5, 1974

OSKALOOSA, IOWA

OSKALOOSA LIVESTOCK AUCTION

This sale will feature the dispersion of the balance of the Wayne A. Carr Polled Shorthorn herd. This picture illustrates the quality of Carr productions.

THE 50th SEMI-ANNUAL

CENTRAL STATES

**Shorthorn & Polled Shorthorn
SHOW & SALE**

OSKALOOSA, IOWA

SATURDAY, OCTOBER 5, 1974

— 81 HEAD 81 —

12 BULLS

47 FEMALES

22 STEER CALVES

This sale has earned the title of "The Sale Of The Money Makers". Central States cattle are the kind that are honestly represented, practically raised with the bred-in "doing ability" to make a profit for you.

Featured will be the dispersion of the balance of the Wayne A. Carr Polled Shorthorn herd. This draft represents the pick of his 1972 heifer crop. One member of each of his cow families was retained. A great buying opportunity.

Never before has the beef industry been so conscious of the greater milking qualities, high grading ability, and quick, economical fleshing attributes of Shorthorns and Polled Shorthorns. We are the breed best able to correct the weaknesses of the exotics. This is forcefully illustrated by the large number of exotic fanciers using Shorthorn and Polled Shorthorn females in their upgrading programs.

JOIN THE TREND TO SHORTHORNS AND POLLED SHORTHORNS!

GENERAL INFORMATION

SHOW TIME — The show will begin at 9:00 a.m., C.D.T.

SALE TIME — The sale will get underway at 12:30 p.m., beginning with club steers and heifers.

LOCATION — **THIS SALE WILL BE HELD AT A NEW SITE! . . .**
The Oskaloosa Livestock Auction Barn located on Highway 63 south of town.

TERMS — The terms of this sale are cash unless other arrangements have been made in advance with the owners and the sale manager notified. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction. All stock will be at the buyer's risk as soon as bid off.

GUARANTEE — All cattle in this sale will be sold under the Standard Guarantee endorsed by the American Shorthorn Breeders' Ass'n.

LIABILITY — Each transaction in this sale will constitute a contract between the buyer and seller of each lot. The auctioneer, ringmen, or sale manager have been employed for specific tasks not connected with the handling of the cattle or the condition of the premises and they will accept no liability, legal or otherwise, for the buying contract or for any accident. Neither can the seller accept any liability for injuries that may occur. All persons attend this sale at their own risk.

FOOTNOTES — Where footnotes appear, they have been furnished by the consignors. Announcements from the auction block take precedence over data in this catalog.

REGISTRATION CERTIFICATE — A certificate of registry will be furnished with each registered lot and will be transferred to the buyer without cost to him. Application for registry, properly signed, will be furnished with each unborn calf sold in dam.

HEALTH — All cattle are sold subject to a 60-day retest for tuberculosis if kept isolated, unless going into a Federally Accredited herd. Health certificates will be furnished to enable them to be shipped into other states. All cattle have been tested for tuberculosis unless they come from an Accredited herd. The cattle have been tested for Bang's within 30 days, or have been calfhood vaccinated, unless otherwise stated.

LUNCH — Lunch will be served at the sale barn.

HEADQUARTERS — Traveler Motel, 11 blocks east of the business center on Hwys. 92 and 63 or the Downing Hotel, on the east side of the town square.

FRIDAY NIGHT BANQUET — Will be served at Castle Farm, five miles east of Oskaloosa on Rt. 92, half a mile east of Lake Keomah spur on Route 371 on north side of the road. Cost \$3.00 per person. Bring own liquor. Ice, coke and ginger ale furnished. Dinner from 6:30 to 7:30. In case of inclement weather dinner will be held at Downing Hotel.

AUCTIONEER — Gary Braet, Calamus, Iowa.

SALE MANAGER — A.S.A. Sale Management, Bill Stunkel, 8288 Hascall St., Omaha, Nebr. 68124.

FIELDMEN — Arch Stone, Wallace's Farmer; Wayne Farnum, Victor, Iowa.

A SHORTHORN PAINTING SELLS

As has been the custom at these semi-annual sales, Harry Gohner, artist and Shorthorn breeder from Lacona, will offer an original oil painting at auction. The picture at right will sell this fall. Like its predecessors, it will prove a valuable and attractive addition to any Shorthorn or Polled Shorthorn home.

CONSIGNOR'S INDEX

WILLOW CREST JUGGLER x — By the great breeding bull Kenmar Leader 13 B x (Wilt The Stilt) and out of one of our best cows. Juggler has been shown for two years. Last year he won his class at the Illinois State Fair and was reserve calf champion. At Iowa, he was second in class. This year at Illinois he stood fourth in class and was a member of the winning get of sire. This bull has good feet and legs and is trim with plenty of thickness. The top sellers in last spring's sale were half brothers. He is a bull a lot of purebred breeders could use and would make a top bull for a commercial man looking to raise the modern kind.

WAYNE CARR DISPERSION

This sale will feature the dispersion of the remainder of the well known Wayne A. Carr Polled Shorthorn herd. Three bulls and eight females will sell. When Wayne dispersed last fall . . . one of the highest averaging sales in the nation . . . he kept a member of each cow family from his 1972 heifer crop. Thus, this sale will offer the pick of Carr's 1972 heifer crop. Because Wayne is building a new home and would like to do some traveling this winter, he has decided to part with this select group of females. When he reestablishes in his new home, Wayne states "I'll probably get back into the Polled Shorthorn business. Right now I'd like to get away for awhile. With help impossible to get, it is best to sell these quality, young producing females at this time."

PROFITABILITY WINNERS

Earlier this year, a group of Shorthorn steers were declared the "Profitability Sweepstakes" reserve champions at the Beef Expo, Sterling, Colo. This honor was based on a combination of gaining ability, feed efficiency and grade. It is interesting to note that not a single exotic group could match this achievement.

With the future pointing to more grass fed beef, Shorthorns and Polled Shorthorns stand in their greatest position in history. NO BREED CAN PUT ON MORE QUALITY POUNDS ON ROUGHAGE THAN OUR BREED. Consequently, all progressive commercial beef producers will be looking to Shorthorns for that extra grade they give on low cost feeds.

In recent years we have seen a trend to bigger cattle. Now, these cattle need the help of Shorthorn blood to improve fertility, ease of calving, extra milk (and accompanying heavier weaning weights), finishing qualities and grading merits.

REGARDLESS OF THE BREED OF YOUR COW HERD, SHORTHORNS AND POLLED SHORTHORNS CAN MAKE THEM MORE PROFITABLE. TRY THE "PROFIT CROSS".

STANDARD GUARANTEE

OF AMERICAN SHORTHORN BREEDING ASSOCIATION

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.

2. Bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.

3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within six months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller. (Cows with calves at foot even though bred are not given any guarantee.)

4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at this expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction on all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any other animal later substituted.

5. In the event an animal is returned by the buyer to the seller as a non-breeder, the buyer must furnish to the seller a veterinarian's certificate showing that his herd is healthy if such certificate is required by the seller.

6. All animals are sold to comply with the laws regulating tuberculosis and Bang's disease of the state or country into which they may be shipped.

7. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record numbers of sire and dam, as well as service date.

Now . . . YOU can move large bales fast and easy with SLAYTON'S fork lift and bale trailers.

SAVE YOUR LABOR!!!

This rugged fork lift can be used to move or lift many items . . .

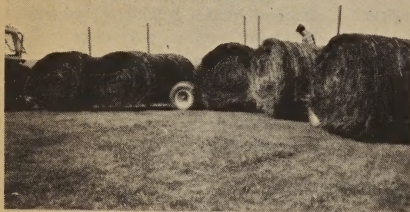

1500 - 3000 LB. ROUND BALES

- This fork lift is all heavy duty, all welded steel construction
- Tines are spaced widely to easily load and unload the bales in any weather or field condition, beveled on the bottom to prevent digging into the ground
- The wide spaced tines saves the twine and cradles the bale for high speed moving in rough fields

BALES STAY LOW TO GROUND . . .

Bales are moved with minimum handling. They are directly loaded onto the trailer, not rolled or damaged in any way. Bales are kept low to the ground for the safety of the bales and operator.

- Easy maneuverability in close quarters
- Trailers hooked in tandem
- Bales easily loaded or unloaded
- Loaded from tractor seat

● BUILT OF HEAVY STRUCTURAL STEEL . . .

- Ideally balanced to be pulled with a pickup
- 8 bolt hubs and wheels
- 12 - 5 x 16 8-ply tires
- Heavy hitch plate front and rear
- Guide posts and bale stops
